

# List of Tables

## Chapter 2 – Existing Conditions

2.1	Population Growth Comparison .....	2-4
2.2	Superneighborhood Population and Density .....	2-5
2.3	Street Classification Characteristics .....	2-9
2.4	METRO Bus Routes.....	2-11
2.5	Existing Land Use Allocation.....	2-16
2.6	Street Classifications, Number of Lanes and Right of Way .....	2-29
2.7	Traffic Volumes .....	2-31
2.8	Span of METRO Bus Service on Typical Weekday .....	2-36
2.9	Headway and Maximum METRO Buses in Service .....	2-37
2.10	METRO Bus Fares .....	2-38
2.11	METRO Route Ridership.....	2-39
2.12	METRO 2025 Build Inner Katy Bus Routes .....	2-40
2.13	Bikeway Segments .....	2-41

## Chapter 3 – Initial Alignments Evaluation

3.1	Summary of Evaluation Results for High-Capacity Transit Alignment Options .....	3-1
-----	--	-----

## Chapter 4 – Baseline Opportunities Analysis

4.1	Estimated Appraised Value of Property: 1999, 2000 .....	4-5
4.2	Appraised Value of Property by Type: 2001 .....	4-6
4.3	Permits Filed in Zip Code 77007: 2001 .....	4-9
4.4	Acres with Redevelopment Potential .....	4-13
4.5	Redevelopable Acres per Combined Land Use Scenario Map .....	4-14
4.6	Number of Net Households and Employees from Potential Redevelopment .....	4-15
4.7	Partial Inventory of Development Adjacent to Lloyd Center MAX Line: 1996.....	4-20
4.8	Zip Code Business Patterns Data: 97232.....	4-21
4.9	Average Percent Change in Total Property Values Near Mockingbird Light Rail Station: 1994-1998 .....	4-23
4.10	Zip Code Business Patterns Data: 75206.....	4-24
4.11	Estimated Property Tax Revenues for Selected Property Types: 2000 .....	4-25
4.12	Amount Subject to Sales Tax by Retail Segment: 1990, 2000 Zip Code 77007 .....	4-26

4.13	Establishments by Industry: 1999, Zip Code 77007.....	4-27
4.14	Estimated Payroll by Industry: 1999, Zip Code 77007 .....	4-28
4.15	CB Richard Ellis Market Outlook: 2002, Office and Industrial .....	4-29
4.16	CB Richard Ellis Market Outlook: 2002, Multi-Family Residential .....	4-29
4.17	CB Richard Ellis Market Outlook: 2002, Retail .....	4-29
4.18	PLACE <sup>3</sup> S Assumptions that Vary by Development Type .....	4-33

## **Chapter 5 – Alternative Development Scenarios**

5.1	New Households and Employment by Development Scenario.....	5-9
5.2	Estimated Appraised Property Value After Redevelopment .....	5-9
5.3	New Households and Employment Near Transit Stations .....	5-10
5.4	Increased Pedestrian Activity by Development Scenario .....	5-11
5.5	Cumulative Comparison of Alternative Development Scenarios.....	5-12

## **Chapter 6 – Feasibility Analysis**

6.1	New Households and Employment from Development Scenarios.....	6-6
6.2	Population Forecasts for Inner Katy based on H-GAC Small-Area Forecast.....	6-8
6.3	Household Forecasts for Inner Katy based on H-GAC Small-Area Forecast.....	6-9
6.4	Multi-Family Residential Absorption in Houston: 1990 to 2001 .....	6-10
6.5	Employment Forecasts for Inner Katy based on H-GAC Small-Area Forecast.....	6-12
6.6	Capital Cost per Mile from GAO Study.....	6-13
6.7	Square Footage by Development Type.....	6-18
6.8	Estimated Property Values.....	6-19
6.9	Estimated Employment by Development Type.....	6-20
6.10	Population Growth Derived from Scenario Modeling.....	6-22
6.11	Annual Growth Over 20-, 30- and 40-Year Planning Horizons .....	6-22
6.12	Population Growth in Houston PMSA and Component Counties: 1990 to 2000.....	6-23
6.13	Population Projections for Houston PMSA and Harris County: 2000 to 2020.....	6-23
6.14	H-GAC Population Estimates and Forecasts for Selected RAZs: 1990 to 2025.....	6-24
6.15	Population and Housing Units in Selected Census Tracts: 1990 to 2000.....	6-25
6.16	Household Projections for Houston PMSA and Harris County: 2000 to 2020.....	6-26
6.17	H-GAC Household Estimates and Forecasts for Selected RAZs: 1990 to 2025.....	6-26
6.18	Employment Estimates Derived from Scenario Modeling.....	6-27

6.19	H-GAC Employment Estimates/Forecasts for Selected RAZs: 1999 to 2025 .....	6-27
6.20	Operating Costs from GAO Study .....	6-28
6.21	Planned Capital Improvements in Inner Katy: FY2002 to 2006 .....	6-29
6.22	Capital Cost Estimate for Light Rail from Selected Sources .....	6-30
6.23	Capital Cost Estimates for Bus Rapid Transit.....	6-30
6.24	Estimated Operating Cost per Revenue Mile.....	6-31
6.25	Sales per Establishment and per Square Foot for Selected Types of Retail Businesses in the U.S. and Texas: 1997.....	6-32
6.26	Estimated Square Footage and Sales by Retail Type.....	6-33
